

MWL GM MEMORIAL SCHOOL

2025 NEWSLETTER

Dear Sponsor and Friends,

Merry Christmas and Happy New Year from all of us at MWL GM Memorial School. As we step into a new year filled with hope and renewed purpose, we would like to sincerely thank you for walking this journey with us. Your continued support has been a strong pillar in the growth and development of our school, enabling us to create a safe, nurturing, and supportive environment where children are given the opportunity to learn, grow, and thrive.

Through your generosity, prayers, and belief in our mission, lives are being transformed in meaningful and lasting ways. Children who once had limited opportunities now have access to quality education, nutritious meals, safe play spaces, and caring guidance within a supportive school environment.

Today, these children come to school feeling valued and encouraged. They are learning not only academic skills, but also confidence, discipline, and a sense of belonging. With consistent care and education, they are developing curiosity, resilience, and hope—essential foundations for a brighter and more secure future.

CELEBRATING OUR PROGRESS

This year has been a season of remarkable growth for Mwl GM Memorial School. Through your support, we have achieved important milestones that are shaping a better learning environment for our pupils:

Playground improvements

Our learners now enjoy a well-equipped and secure outdoor space where they can run, explore, and interact freely. We have enhanced the playground by adding exciting new play items, including a bungee jump area that supports balance, coordination, and confidence-building in a fun and safe way. This joyful space continues to encourage teamwork, creativity, and emotional well-being through play, making break times some of the happiest moments of the school day.

Dining hall completed

With a spacious and neatly arranged dining area, our pupils are now provided with a dedicated space to enjoy nutritious meals together. This has significantly improved hygiene during mealtime, encouraged positive social interactions, and strengthened daily routines that support good health.

pupils' toilets in progress

Work continues on modern sanitation facilities that will improve comfort, promote cleanliness, and protect the dignity of every child. Once complete, these toilets will reduce health risks and help reinforce essential hygiene habits.

Prepared to welcome new pupils

These infrastructure improvements allow us to expand access to education for more children in our community. Our environment is now better equipped to support additional learners with safe spaces to study, eat, and play.

Each of these achievements is a direct result of your kindness, belief, and commitment. You are not only building facilities—you are building confidence, opportunities, and brighter futures for children who deserve every chance to succeed.

PREPARING TO WELCOME NEW PUPILS

As we look ahead to the new academic year, our hearts are filled with great excitement. Many more children in our community are eager to join MWL GM Memorial School, where they will be welcomed into a supportive learning environment that nurtures every part of their development—academically, socially, and emotionally.

Meeting these needs will allow us not only to maintain the high standard of education we provide but also to extend that opportunity to more families in need—ensuring that no child is left behind.

We believe every child deserves the chance to discover their abilities and shape their own future. To successfully welcome and support these new learners, we are focusing on the following essential needs:

SCHOOL FEES SUPPORT

To ensure that financial challenges do not prevent children from accessing education. Your sponsorship gives a child the opportunity to learn, dream, and thrive.

HEALTH INSURANCE SUPPORT

To ensure that every child has access to essential medical care when needed. Good health is the foundation for learning, and your support allows pupils to remain protected and receive proper medical attention.

TEACHING AND LEARNING MATERIALS

Including books, stationery, technology support, and classroom supplies that enhance learning experiences and help teachers deliver quality education.

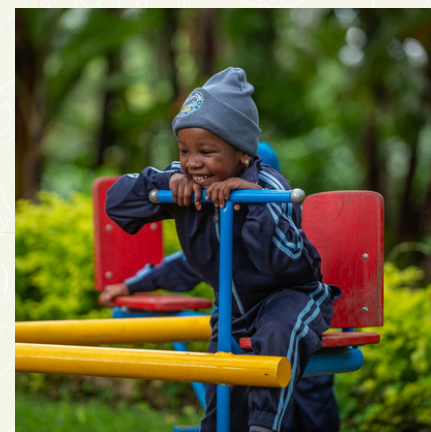

TRANSPORT SUPPORT

To help children travel safely and consistently to school, especially those who live far away or in areas with limited access to safe transportation.

A Heartfelt Appeal

As we look ahead to the new academic year, our hearts are filled with great excitement. Many more children in our community are eager to join MWL GM Memorial School, where they will be welcomed into a supportive learning environment that nurtures every part of their development—academically, socially, and emotionally.

Thank You for Being Part of Our Story

We cannot thank you enough for choosing to walk alongside MWL GM Memorial School. Your impact is not only seen in classrooms and facilities, but deeply felt in the smiles, confidence, and dreams of the children we serve. We warmly welcome you to visit us, meet the pupils, and see firsthand how your generosity is shaping lives.

With sincere gratitude and happy prosperous new year 2026

Mwalimu GM Memorial School
